

Lesson 1

A man was at the country club for his weekly round of golf. He began his round with an eagle on the first hole and a birdie the second. On the third hole he had just scored his first ever hole in one when his cell phone rang.

It was a doctor notifying him that his wife had just been in a terrible accident and was in critical condition and in the ICU.

The man told the doctor to inform his wife where he was and that he'd be there as soon as possible. As he hung up he realised he was leaving what was shaping up to be his best ever round of golf. He decided to get in a couple of more holes before heading to the hospital.

He ended up finishing all eighteen.

He finished his round shooting a personal best 61 shattering the club record by five strokes and beating his previous best game by more than 10. He was jubilant, and then he remembered his wife. Feeling guilty he dashed to the hospital.

He saw the doctor in the corridor and asked about his wife's condition.

The doctor glared at him and shouted, "You went ahead and finished your round of golf didn't you!? I hope you're proud of yourself! While you were out for the past four hours enjoying yourself at the country club your wife has been languishing in the ICU! It's just as well you went ahead and finished that round because it will be more than likely your last! For the rest of her life she will require round the clock care. And you'll be her care giver!"

The man was feeling so guilty he broke down and sobbed. The doctor started to snicker and said, "Just kidding! She died more than two hours ago. What'd you shoot?"

Lesson 2

One hot summer day, a blonde came to town with her dog, tied it under the shade of a tree, and headed into a restaurant for something cold to drink. Twenty minutes later, a policeman entered the restaurant and asked, 'Who owns the dog tied under that tree outside? The blonde said it was hers.

Your dog seems to be in heat' the officer said.

The blonde replied, 'No way. She's cool 'cause she's tied up under that shade tree.

The policeman said, 'No! You don't understand. Your dog needs to be bred.'

'No way,' said the blonde. 'My dog doesn't need bread. She isn't hungry 'cause I fed her this mornin.'

The exasperated policeman said, 'NO! You don't understand. Your dog wants to have sex!'

The blonde looked at the cop and said, 'Well, go ahead. I always wanted a police dog.'

Lesson 3

A car bomb was found outside Lakemba mosque today.

Police have urged the public not to panic as they have managed to push it inside the mosque.

Today an Aboriginal was found nailed to a tree, stabbed six times and shot twice.

Police say it's the worst case of suicide they have ever seen.

Lesson 4

IDIOTS... THEY'RE EVERYWHERE!

IDIOT #1

We had to have the garage door repaired. The repairman told us that one of our problems was that we did not have a "large" enough motor on the opener. I thought for a minute, and said that we had the largest one B&D made at that time, a 1/2 horsepower. He shook his head and said, "Lady, you need a 1/4 horsepower." I responded that 1/2 was larger than 1/4. He said, "NO, it's not." Four is larger than two..." We haven't used this tradesman since...

IDIOT #2

My daughter and I went through the McDonald's drive thru window and I gave the teen a \$20 note. Our total was \$10.50, so I also handed her a fifty cents clunker. She said, "You gave me too much money." I said, "not really, but this way you can just give me ten dollars back." She sighed and went to get the manager who asked me to repeat my request. I did so, and he handed me back the fifty cents, and said "We're sorry but we can't do that kind of thing." The teen then proceeded to give me back \$9.50 in change. Do not confuse the teenagers at McD's.

IDIOT #3

I live in a semi rural area. We recently had a new neighbour call the local council office to request the removal of the Kangaroo sign on our road. The reason: "Too many kangaroos are being hit by cars out here! I don't think this is a good place for them to be crossing anymore."

IDIOT #4

My daughter went to a local Hungry Jack's and ordered a burger. She asked the person behind the counter for "minimal lettuce." He said he was sorry, but they only had iceberg lettuce.

IDIOT #5

I was at the airport, checking in at the gate when an airport employee asked, and "Has anyone put anything in your baggage without your knowledge"? To which I replied, "If it was without my knowledge, how would I know?" He smiled knowingly and nodded, "That's why we ask."

IDIOT #6

The stoplight on the corner buzzes when it's safe to cross the street. I was crossing with an intellectually challenged colleague of mine. She asked if I knew what the buzzer was for. I explained that it signals blind people when the light is red. Appalled, she responded, "What on earth are blind people doing driving?!"

IDIOT #7

At a good-bye luncheon for an old and dear friend. She was leaving the company due to "downsizing." Our manager commented cheerfully, "This is fun. We should do this more often." Not another word was spoken. We all just looked at each other with that animal-in-the-headlights stare.

IDIOT #8

I work with an individual who plugged her power board back into itself and for the sake of her life, couldn't understand why her computer would not turn on.

IDIOT #9

When my husband and I arrived at a dealership to pick up our car, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the driver's side door. As I watched from the passenger side, I instinctively tried the door handle and discovered that it was unlocked.

"Hey," I announced to the technician, "its open!" His reply, "I know. I already got that side."

Lesson 5

The only way to pull off a Sunday afternoon quickie with their 8 year-old son in the apartment was to send him out on the balcony with a popsicle and tell him to report on all the neighbourhood activities.

He began his commentary as his parents put their plan into operation: "There's a car being towed from the parking lot", he shouted. "An Ambulance just drove by."

"Looks like the Anderson's have company", he called out. "Matt's riding a new bike..." "Looks like the Sanders are moving out" "Jason is on his skate board..."

After a few moments he announced, "The Coopers are having sex!!" Startled, his Mother and Dad shot up in bed! Dad cautiously called out, "How do you know they are having sex?" "Jimmy Cooper is standing on his balcony with a popsicle."

Lesson 6

Bill and Sam, two elderly friends, met in the park every day to feed the pigeons, watch the squirrels and discuss world problems.

One day Bill didn't show up. Sam didn't think much about it and figured maybe he had a cold or something. But after Bill hadn't shown up for a week or so, Sam really got worried.

However, since the only time they ever got together was at the park, Sam didn't know where Bill lived, so he was unable to find out what had happened to him.

A month had passed, and Sam figured he had seen the last of Bill, but one day, Sam approached the park and -lo and behold!- there sat Bill! Sam was very excited and happy to see him and told him so. Then he said, "For crying out loud Bill, what in the world happened to you?"

Bill replied, "I have been in jail." "Jail?" cried Sam. "What in the world for?" "Well," Bill said, "you know Sue, that cute little blonde waitress at the coffee shop where I sometimes go?" "Yeah," said Sam, "I remember her. What about her?"

"Well, one day she filed rape charges against me; and, at 89 years old, I was so proud that when I got into court, I pled guilty. The darn judge gave me 30 days for perjury!"

Lesson 7

I am going to watch my wedding video in reverse later. I love the part where she takes her ring off and walks down the aisle backwards, gets in the car and fuck's off.

A Redneck couple is walking out of the divorce court, the wife is crying her heart out. Her husband says "Oh for fuck's sake stop crying, you're still my sister"

Lesson 8

A mother was sitting on the couch reading a book when one of her children walked up to her and said, "Mummy, why is my name Petal?" The mother replied, "Because when you were born, a petal fell on your head."

The next baby walked up and asked, "Mummy why is my name Rose?" she replied, "Because when you were born, a rose fell on your head." The last baby walked up to her and said, "BLAS CLAFLAS YIFRASSAM TASSM POONNFFFIINRTY." The mother replied, "Please be quiet, Refrigerator."

Lesson 9

An elderly man in North Carolina had owned a large farm for several years. He had a large pond in the back, fixed up really nice, along with some picnic tables, horseshoe courts, and some apple and peach trees.

The pond was properly shaped and fixed up for swimming when it was built.

One evening the old farmer decided to go down to the pond, as he hadn't been there for a while, and look it over. He grabbed a five gallon bucket to bring back some fruit.

As he neared the pond, he heard voices shouting and laughing with glee.

When he came closer, he realized it was a bunch of young women skinny-dipping in his pond. He made the women aware of his presence and they all went to the deep end to shield themselves.

One of the women shouted to him, "We're not coming out until you leave!"

The old man frowned and replied, "I didn't come down here to watch you ladies swim naked or make you get out of the pond naked." Holding the bucket up he said, "I'm here to feed the alligator."

Moral of the story: Old men may move slow but can still think fast.

Lesson 10

An elderly man on a moped, looking about 100 years old, pulls up next to a doctor at a street light. The old man looks over at the sleek shiny car and asks, "What kind of car ya got there, sonny?" The doctor replies, "A Ferrari GTO. It cost a half million dollars!"

"That's a lot of money," says the old man. "Why does it cost so much?" "Because this car can do up to 190 miles an hour!" states the doctor proudly.

The Moped driver asks, "Mind if I take a look inside?" "No problem," replies the doctor.

So the old man pokes his head in the window and looks around. Then, sitting back on his moped, the old man says, "That's a pretty nice car, all right... but I'll stick with my moped!"

Just then the light changes, so the doctor decides to show the old man just what his car can do. He floors it, and within 30 seconds the speedometer reads 160 mph. Suddenly, he notices a dot in his rear view mirror. It seems to be getting closer! He slows down to see what it could be and suddenly...

WHOOOSSSHHH! Something whips by him going much faster!

"What on earth could be going faster than my Ferrari?" the doctor asks himself. He presses harder on the accelerator and takes the Ferrari up to 180 mph. Then, up ahead of him, he sees that it's the old man on the moped! Amazed that the Moped could pass his Ferrari, he gives it more gas. He's feeling pretty good until he looks in his mirror and sees the old man gaining on him AGAIN! Astounded by the speed of this old guy, he floors the gas pedal and takes the Ferrari all the way up to 190 mph.

Not ten seconds later, he sees the moped bearing down on him again! The Ferrari is flat out, and there's nothing he can do! Suddenly, the moped ploughs into the back of his Ferrari, demolishing the rear end!

The doctor stops and jumps out and, unbelievably, finds the old man still alive. He runs up to the banged-up old guy and says, "I'm a doctor... Is there anything I can do for you?" The old man whispers, "Unhook my suspenders from your side mirror..."

Lesson 11

An elderly couple were having dinner one evening when the husband reached across the table, took his wife's hand in his and said, "Martha, soon we will be married 50 years, and there's something I have to know. In all of these 50 years, have you ever been unfaithful to me?"

Martha replied, "Well Henry, I have to be honest with you. Yes, I've been unfaithful to you three times during these 50 years, but always for a good reason.

Henry was obviously hurt by his wife's confession, but said, "I never suspected. Can you tell me what you mean by 'good reasons?'"

Martha said, "The first time was shortly after we were married, and we were about to lose our little house because we couldn't pay the mortgage. Do you remember that one evening I went to see the banker and the next day he notified you that the loan would be extended?"

Henry recalled the visit to the banker and said, "I can forgive you for that. You saved our home, but what about the second time?"

Martha said, "Do you remember when you were so sick, but we didn't have the money to pay for the heart surgery you needed? Well, I went to see your doctor one night and, if you recall, he did the surgery at no charge."

"I recall that," said Henry. "And you did it to save my life, so of course I can forgive you for that. Now tell me about the third time."

"Alright," Martha said. "So do you remember when you ran for president of your golf club, and you needed 73 more votes...?"

Lesson 12

A woman and her boyfriend are out having a few drinks. While they're sitting there having a good time together she starts talking about this really great new drink. The more she talks about it, the more excited she gets, and starts trying to talk her boyfriend into having one. After a while he gives in and lets her order the drink for him. The bartender brings the drink and puts the following on the bar -- A saltshaker, a shot of Baileys, and a shot of lime juice.

The boyfriend looks at the items quizzically and the woman explains. "First, you put a bit of the salt on your tongue, next, you drink the shot of Baileys and hold it in your mouth, and finally, you drink the lime juice." So, the boyfriend, trying to go along and please her, goes for it. He puts the salt on his tongue -- salty but OK. He drinks the shot of Baileys - smooth, rich, cool, very pleasant. He thinks - this is OK?

Finally he picks up the lime juice and drinks it In one second the sharp lime taste hits At two seconds the Baileys curdles At three seconds the salty curdled bitter taste hits.

This triggers his gag reflex but being manly, and not wanting to disappoint his girlfriend, he swallows the now nasty drink. When he finally chokes it down he turns to his girlfriend, and says, "Jesus, what do you call that drink?"

She smiles widely at him and says, "Blow Job"

Lesson 13

Jet Fuel

Bud and Jim were a couple of drinking buddies who worked as airplane mechanics in Atlanta. One day the airport was fogged in and they were stuck in the hangar with nothing to do.

Bud says, "Man, I wish we had something to drink!" Jim says, "Me too. Y'know, I've heard you can drink jet fuel and get a buzz. You wanna try it?" So they pour themselves a couple of glasses of high octane hooch and get completely smashed.

The next morning Bud wakes up and is surprised at how good he feels. In fact he feels GREAT! NO hangover! NO bad side effects. Nothing! Then the phone rings... It's Jim.

Jim says, "Hey, how do you feel this morning?" Bud says, "I feel great. How about you?" Jim says, "I feel great, too. You don't have a hangover?" Bud says, "No, that jet fuel is great stuff -- no hangover, nothing. We ought to do this more often." "Yeah, well there's just one thing..." "What's that?" "Have you farted yet?" "No....."

"Well, DON'T, 'cause I'm in PHOENIX!!!"

Lesson 14

Three Drunk Women had a very late night drinking. They left in the early morning hours and went home their separate ways. The next day, they all met and compared notes about who was drunker the night before.

The first girl claimed that she was the drunkest, saying, "I drove straight home and walked into the house. As soon as I got through the door I blew chunks for 10 minutes."

The second said, "You think that was drunk? Hell I got into my car and wrapped my car around the first tree I saw. I don't even have insurance!"

The third proclaimed, "Damn, I was the drunkest by far. When I got home, I got into a big fight with my husband, knocked a candle over, and burned the whole house down!"

The room was silent for a moment. Then, the first girl spoke out again,

"Listen girls, I don't think you understand... Chunks is my dog."

Lesson 15

A guy, working 35 floors up at a construction site, had to go to the bathroom. He approached his foreman and told him he was going to go down to use the facilities. The foreman told him he was nuts, explaining that by the time he got down and back up he would lose a half hour of time.

Instead, the foreman pushed a plank out over the edge of the building, stood on one end and told the guy to go out on the other end and do what he had to do. He added that since they were 35 floors up, his pee would turn into vapour before it reached the bottom. So, the guy decided to take his foreman's advice.

Suddenly, the foreman's cell phone rang and he jumped off the board to get it, causing the guy to fall to his death!

At the inquest, another worker who was on the 31st floor at the time of the accident was asked if he knew what happened.

"I'm not sure," he replied, "but I think it had something to do with sex."

"Something to do with sex?" the coroner said, puzzled. "What would make you think that?"

"Well," the worker replied, "I saw the guy falling with his dick in his hand, screaming, "Where did that cocksucker go?!?"

Lesson 16

A plane is on its way to Toronto, when a blonde in economy class gets up, and moves to the first class section and sits down.

The flight attendant watches her do this, and asks to see her ticket.

She then tells the blonde that she paid for economy class, and that she will have to sit in the back. The blonde replies, "I'm blonde, I'm beautiful, I'm going to Toronto and I'm staying right here."

The flight attendant goes into the cockpit and tells the pilot and the co-pilot that there is a blonde bimbo sitting in first class, that belongs in economy, and won't move back to her seat.

The co-pilot goes back to the blonde and tries to explain that because she only paid for economy she will have to leave and return to her seat.

The blonde replies, "I'm blonde, I'm beautiful, I'm going to Toronto and I'm Staying right here."

The co-pilot tells the pilot that he probably should have the police waiting when they land to arrest this blonde woman who won't listen to reason.

The pilot says, "You say she is a blonde? I'll handle this, I'm married to a Blonde. I speak blonde."

He goes back to the blonde and whispers in her ear, and she says, "Oh, I'm Sorry." and gets up and goes back to her seat in economy...

The flight attendant and co-pilot are amazed and asked him what he said to make her move without any fuss. "I told her, "first class isn't going to Toronto".

Lesson 17

I opened the closet, but I figured that was probably the first place he would look, so I didn't hide there. Then I looked under the bed, but I figured that he's bound to look there, too. By now, I could hear the key in the lock. I noticed the window was open, so I climbed out and was hanging there by my fingers, praying that the guy wouldn't see me..."

The bartender says, "Well, I can see how you might be a bit frustrated at this point." "Well, yeah, but I hear the guy finally get the door open, and he yells, 'Who you been sleeping with now, witch?'

The girl says, 'Nobody, honey, now come to bed and calm down.'

Well, the guy starts tearing up the room. I hear him tear the door off the closet and throw it across the room.

I'm thinking, 'Boy, I'm glad I didn't hide in there.' Then I hear him lift up the bed and throw it across the room.

Good thing I didn't hide under there either. Then I heard him say, 'What's that over there by the window?' I think, 'Oh God, I'm dead meat now'."

"But by now the blonde is trying real hard to distract him and convince him to stop looking. Well, I hear the guy go into the bathroom, and I hear water running for a long time. I figure maybe he's gonna take a bath or something, when all of a sudden, the jerk pours a pitcher of scalding hot water out of the window right on top of my head. I mean, look at this, I got second degree burns all over my scalp and shoulders!"

The bartender says, "Oh man that would have pissed me off for sure!" "No, that didn't really bother me. Next, the guy starts slamming the window shut over and over on my hands. I mean, look at my fingers.

They're a bloody mess. I can hardly hold this glass."

The bartender looks at the guy's hands and says, "Yeah, buddy, I can understand why you are so upset."

"No, that wasn't what really pissed me off."

The bartender then asks in exasperation, "Well, then, what did finally piss you off?" "Well, I was hanging there and I turned around and looked down, and I was only about 6 inches off the ground."

Lesson 18

A young couple was making passionate love in the guy's van (you know, shag carpets, big double mattress in the back... all that) when suddenly the girl, being a bit on the kinky side, yells out "Oh big boy, whip me, whip me!" The guy, not wanting to pass up this unique opportunity, obviously did not have any whips on hand, but in a flash of inspiration, he opens the window, snaps the aerial off his van and proceeds to whip the girl until they both collapse in sadomasochistic ecstasy.

About a week later, the girl notices that the marks left by the whipping session are starting to fester a bit so she goes to the doctor. The doctor takes one look at the wounds and asks, "Did you get these marks having sex?" The girl is a little embarrassed but admits that, yes, she did.

Nodding his head knowingly the doctor exclaims, "I thought so, because in all my years of doctoring, you've got the worst case of van aerial disease that I've ever seen."

Lesson 19

Forty Aborigines arrive at the Pearly Gates in their old Kingswood's and Tarago's. St Peter goes into the gatehouse and phones up God, saying, "I've got 40 travellers here. Can I let them in?" God says "We are over Aboriginal quota for the month. Go out and tell them to choose between them which are the 12 most worthy, and I will let just the dozen in." Less than a minute later St Peter is on the phone to God again. "They've gone", he tells God. "What?" says God, "All 40 of them?" "No... the frigging gates!"

Lesson 20

There was once a young man whose only desire, as a youth, was to become a great writer. When asked to define great, he said, 'I want to write stuff that the whole world will read, stuff that people will react to on a truly emotional level, stuff that will make them scream, cry, howl in pain and anger!' He now works for Microsoft writing error messages.

Lesson 21

Three women friends, one in a casual relationship one engaged to be married and one a long-time wife, met for drinks after work. The conversation eventually drifted towards how best to spice up their sex lives. After much discussion, they decided to surprise their men by engaging in some S&M role playing. The following week they met up again to compare notes: Sipping her drink, the single girl leered and said, "Last Friday at the end of the work day I went to my boyfriend's office wearing a leather coat. When all the other people had left, I slipped out of it and all I had on was a leather bodice, black stockings and stiletto heels. He was so aroused that we made mad passionate love on his desk right then and there! The engaged woman giggled and said, "That's pretty much my story! When my fiancé got home last Friday, he found me waiting for him in a black mask, leather bodice, black hose and stiletto pumps. He was so turned on that we not only made love all night, he wants to move up our wedding date! The married woman put her glass down and said, "I did a lot of planning. I made arrangements for the kids to stay over at Grandma's. I took a long scented-oil bath and then put on my best perfume. I slipped into a tight leather bodice, a black garter belt, black stockings and six-inch stilettos. I finished it off with a black mask. When my husband got home from work, he grabbed a beer and the remote, sat down and yelled, "Hey, Batman, what's for dinner?"

Lesson 22

A successful rancher died and left everything to his devoted wife.

She was a very good-looking woman and determined to keep the ranch, but knew very little about ranching, so she decided to place an ad in the newspaper for a ranch hand.

Two cowboys applied for the job. One was gay and the other a drunk. She thought long and hard about it, and when no one else applied she decided to hire the gay guy, figuring it would be safer to have him around the house than the drunk. He proved to be a hard worker who put in long hours every day and knew a lot about ranching.

For weeks, the two of them worked, and the ranch was doing very well. Then one day, the rancher's widow said to the hired hand, "You have done a really good job, and the ranch looks great. You should go into town and kick up your heels."

The hired hand readily agreed and went into town one Saturday night. One o'clock came, however, and he didn't return. Two o'clock and no hired hand. Finally he returned around two-thirty, and upon entering the room, he found the rancher's widow sitting by the fireplace with a glass of wine, waiting for him. She quietly called him over to her. "Unbutton my blouse and take it off," she said. Trembling, he did as she directed. "Now take off my boots." He did as she asked, ever so slowly. "Now take off my socks." He removed each gently and placed them neatly by her boots. "Now take off my skirt." He slowly unbuttoned it, constantly watching her eyes in the fire light. "Now take off my bra." Again, with trembling hands, he did as he was told and dropped it to the floor.

Then she looked at him and said, "If you ever wear my clothes into town again, you're fired."

Lesson 23

A guy has been asking the prettiest girl in town for a date and finally she agrees to go out with him. He takes her to a nice restaurant, buys her a fancy dinner with expensive wine and on the way home he pulls over to the side of the road in a secluded spot.

They start necking and he's getting pretty excited. He starts to reach under her skirt and she stops him, saying she's a virgin and wants to stay that way.

"Well, OK," he says, "how about a hand job?" "I've never done that," she says. "What do I have to do?"

"Well," he answers, "remember when you were a kid and you used to shake up a Coke bottle and spray your brother with it?" She nods. "Well, it's just like that."

So he pulls it out and she grabs hold of it and starts shaking it. A few seconds later, his head flops back on the headrest, his eyes close, snot starts to run out of his nose, wax blows out of his ear and he screams out in pain. "What's wrong?!" she cries out. "TAKE YOUR THUMB OFF OF THE END!!!"

Lesson 24

While shopping for vacation clothes, my husband and I passed a display of bathing suits. It had been at least ten years and twenty pounds since I had even considered buying a bathing suit, so I sought my husband's advice. "What do you think?" I asked. "Should I get a bikini or an all-in-one?" "Better get a bikini," he replied. "You'd never get it all in one."

Lesson 25

A small boy was looking at the red ripe tomatoes growing in a farmer's garden. "I'll give you my two pennies for that tomato" said the boy to the farmer, pointing to a beautiful, large, ripe fruit hanging on the vine. "No," said the farmer, "I get a dime for a tomato like that one."

The small boy pointed to a smaller green one, "Will you take two pennies for that one?" "Yes, I'll give you that one for two cents." replied the farmer. "Ok," said the small boy, sealing the deal by placing his coins in the farmer's hand, "I'll pick it up in about a week."

Lesson 26

A boss wondered why one of his most valued employees had not phoned in sick one day. Having an urgent problem with one of the main computers, he dialled the employee's home phone number and was greeted with a child's whisper.

"Hello?" "Is your daddy home?" he asked. "Yes," whispered the small voice. "May I talk with him?" The child whispered, "No."

Surprised and wanting to talk with an adult, the boss asked, "Is your Mummy there?" "Yes." "May I talk with her?" Again the small voice whispered, "No."

Hoping there was somebody with whom he could leave a message, the boss asked, "Is anybody else there?" "Yes," whispered the child, "a policeman."

Wondering what a cop would be doing at his employee's home, the boss asked, "May I speak with the policeman?" "No, he's busy", whispered the child. "Busy doing what?" "Talking to Mummy and Daddy and the Fireman," came the whispered answer.

Growing more worried as he heard what sounded like a helicopter through the earpiece on the phone, the boss asked, "What is that noise?" "A hello-copper" answered the whispering voice.

"What is going on there?" demanded the boss, now truly apprehensive.

Again, whispering, the child answered, "The search team just landed the hello-copper." Alarmed, concerned and a little frustrated the boss asked, "What are they searching for?" Still whispering, the young voice replied with a muffled giggle: "ME."
