

Lesson 1

Jesus and Satan were having an on-going argument about who was better on the computer. They had been going at it for days, and frankly God was tired of hearing all the bickering. Finally fed up, God said, 'THAT'S IT! I have had enough. I am going to set up a test that will run for two hours, and from those results, I will judge who does the better job.'

So Satan and Jesus sat down at the keyboards and typed away.

They moused.

They faxed.

They e-mailed.

They e-mailed with attachments.

They downloaded.

They did spreadsheets!

They wrote reports.

They created labels and cards.

They created charts and graphs.

They did some genealogy reports

They did every job known to man.

Jesus worked with heavenly efficiency and Satan was faster than hell.

Then, ten minutes before their time was up, lightning suddenly flashed across the sky, thunder rolled, rain poured, and, of course, the power went off..

Satan stared at his blank screen and screamed every curse word known in the underworld.

Jesus just sighed.

Finally the electricity came back on, and each of them restarted their computers. Satan started searching frantically, screaming:

'It's gone! It's all GONE! 'I lost everything when the power went out!'

Meanwhile, Jesus quietly started printing out all of his files from the past two hours of work.

Satan observed this and became irate.

'Wait!' he screamed. 'That's not fair! He cheated! How come he has all his work and I don't have any?'

God just shrugged and said,

JESUS SAVES

Lesson 2

The old man placed an order for one plain hamburger, fries and a cola.

At the table, he unwrapped the hamburger and carefully cut it in two, placing one half in front of his wife. He then carefully counted out the fries, dividing them into two piles, and neatly placed one pile in front of his wife. He took a sip of the drink and then set down the carton between them.

As he began to eat his few bites of hamburger, the people around them were looking and whispering.

Obviously, they were thinking, "That poor old couple - all they can afford is one meal between the two of them".

When the man began to eat his fries, a young man came to the table and politely offered to buy another meal for the old couple. The old man said they were fine - they were used to sharing everything.

People closer to the table noticed that the little old lady hadn't eaten a bite. She sat watching her husband eat and occasionally she took turns at sipping the drink.

Again, the young man came over and begged them to let him buy another meal for them. This time the old man said, "No, thank you; we are used to sharing everything".

Finally, as the old man finished and was wiping his face neatly with a napkin, the young man again came over, and spoke to the little old woman, who had yet to eat a bite, and asked, "What is it you are waiting for?"

She answered: "The TEETH."

Lesson 3

Walking into the back room, the boy said to his manager, "Some asshole wants to buy a half a head of lettuce." As he finished his sentence, he turned to find the man standing right behind him, so he added, "and this gentleman kindly offered to buy the other half".

The manager approved the deal and the man went on his way. Later the manager found the boy and said 'I was impressed with the way you got yourself out of that situation earlier. We like people who think on their feet here. Where are you from, son?'

"Queensland, sir," the boy replied. "Well, why did you leave Queensland," the manager asked. The boy said, "Sir, there's nothing but whores and rugby league players up there." "Really!" said the manager.

"My wife is from Queensland!" The boy replied, "No shit??? Who did she play for?"

Lesson 4

Lecture on Supernatural...

A professor at W. Virginia University is giving a lecture on the supernatural. To get a feel for his audience, he asks: "How many people here believe in ghosts?"

About 90 students raise their hands. "Well that's a good start. Out of those of you who believe in ghosts, do any of you think you've ever seen a ghost?" About 40 students raise their hands. "That's really good. I'm really glad you take this seriously. Has anyone here ever talked to a ghost? 15 students raise their hands. "That's a great response."

"Has anyone here ever touched a ghost?" 3 students raise their hands. "That's fantastic."

"But let me ask you one question further... Have any of you ever made love to a ghost?" One student in a flannel shirt and baseball cap way in the back raises his hand. The professor is astonished. He takes off his glasses, takes a step back, and says, "Son, all the years I've been giving this lecture, no one has ever claimed to have slept with a ghost.

You've got to come up here and tell us about your experience."

The redneck student complies with a nod and a grin, and begins to make his way up to the podium.

The professor says, "Well, tell us what it's like to have sex with a ghost."

The student replies, "Ghost?!? Sheeyit..... From back there it sounded like you said 'goats'".

As the evening progressed, the old man joined the lady and they went to her apartment, where they got it on. Four days later, the old man noticed that he was developing a drip, and he headed for the rest home doctor. After careful examination the doctor asked the old man if he had engaged in sex recently. The men left the doctor's office, each convinced that he would never again indulge himself in his vice. While walking toward the subway for their return trip to the suburbs, they passed a bar.

The alcoholic, hearing the loud music and seeing the lights, could not stop himself. His buddies accompanied him into the bar, where he had a shot of whiskey.

No sooner had he replaced the shot glass on the bar, he fell off his stool, stone cold dead.

His companions, somewhat shaken up, left the bar, realising how seriously they must take the doctor's words. As they walked along, they came upon a cigarette butt lying on the ground, still burning. The homosexual looked at the chain smoker and said, "If you bend over to pick that up, we're both dead."

He followed her into her apartment; she closed the door and leaned against it, allowing her robe to fall off completely. Now nude, she purred at him, "What would you say is my best feature?" Flustered and embarrassed, he finally squeaked, "It's got to be your ears."

Astounded, and a little hurt she asked, "My ears? Look at these breasts; they are full and 100% natural. I work out every day and my butt is firm and solid. Look at my skin - no blemishes anywhere. How can you think that the best part of my body is my ears?"

A minute later Bruce returned with Frank and they both tried to pull her up. "No way. We can't do it, let's try Plan B." Frank said. "Plan B?" exclaimed Bruce. "What's that?" "I'll go home and get my hammer and chisel and we can break the tiles under her and release the vacuum." replied Frank. "Spot on" Bruce said. "While you're doing that, I'll stay here and play with her tits." "Play with her tits"? Frank said, "Not exactly a good time for that mate?"
